Instructions:
This form is for students enrolled in the Computational Science and Engineering Doctor of Philosophy program. In order to register for Ph.D. Dissertation Research Preparation (CSE 8999) hours, you must have a permanent advisor and have not passed the qualifier. You must complete this form in consultation with your dissertation advisor. Bring the signed form to the CODA 1375A or email it to nedwards8@gatech.edu. You will then be given a permit to enroll in the course. This form only needs to be completed once.

Student Name (please print) __________________________________________

GT ID Number: _______________________ Email: ____________________________

Academic Term:  □ Fall  □ Spring  □ Summer  Year: 20____

Dissertation Research Direction:
________________________________________________________________________
________________________________________________________________________

Student’s Signature: __________________________________________ Date: ____________

NOTE: It is your responsibility to register for the course after the permit has been placed on the registration system. The act of being permitted to the course by the faculty member does not register you in the course.

Dissertation Advisor:
I confirm that I have agreed to be the Dissertation Advisor for this student and have discussed the expectations involved with regard to this project. I will notify the CSE graduate program advisor if I stop advising the above student.

Name (please print) ___________________________ Faculty Section Number _______
